CLOSE OF COMPETITION SPRING NATIONALS WELLINGTON 2009

CHAIRPERSON'S REPORT 2009 – 2010.

SSNZ BOARD	Sue Edwards Bronwyn Stackpole Michelle Anderson Joanna Carroll Vicki Hustler	Chairperson Secretary
Selectors	Joanna Carroll Sue Edwards	
Appointments Committee	Michelle Anderson Vicki Toohey	
Awards Committee	Michelle Anderson Bronwyn Stackpole Nola Younger	

Synchro Swim New Zealand has had another very successful year. The two main highlights have been the selection of Kirstin and Caitlin Anderson to the New Zealand Commonwealth Games Team, and the almost clean sweep of gold medals at the Oceania Championships, in Apia, Samoa in June. Our congratulations to the athletes, coaches, their Clubs and their families for these successes.

Michelle Anderson, Joanna Carroll and Sue Edwards were appointed as International Technical Officials for the 2010 Commonwealth Games in Delhi, and Joanna Carroll attended the Junior World Synchronised Swimming Championships in Indianapolis in her capacity as a FINA " B " International Judge.

Eight Synchro Swim New Zealand Judges officiated at the Oceania Championships. Our thanks to the Clubs for the support for these judges :- Trudy Shepard, Michelle Anderson, Phyll Esplin, Joanna Carroll, Sue Edwards, Bronwyn Stackpole, Irina Tate, and Vicki Hustler.

Our two main National Competitions – the Spring Championships and the March Open Championships, both held in Wellington, once again saw increases in the number of entries, as did the North Island and South Island Championships.

Our thanks to the Wellington Synchro Club for so successfully hosting two major events, and to North Harbour and Aquagold Clubs for hosting the respective Island Championships.

I would like to once again acknowledge the support of SPARC with Sport Development Funding, and the continued good relationships, particularly with Jo Cheatley, our Relationship Manager. This SPARC funding is crucial for the continued growth and development of the sport, and this year enabled us to host Chris Carver and Layla Smith from the Santa Clara Aquamaids Club in the USA, to conduct much needed clinics, in Auckland, for the North Harbour, Tauranga and Wellington Clubs, and in Invercargill and Dunedin. These Clinics were on the back of the FINA funded Development Clinic held in Samoa at the time of the Oceania Championships. My thanks to all the people in these Clubs for all the organisation of the Clinics.

We are also very grateful for the Prime Ministers' Scholarships awarded to Lisa Daniels and Joanna Carroll.

The National Training Squad has had a less demanding year, largely because of date changes of the International competitions we had hoped to attend, but this was offset by the large National Team we sent to the Oceania Championships. We were sad to lose the services of one of our National coaches, Audra Arbas, who has returned to the US, and I would like to acknowledge the work Audra has done, in conjunction with Kazuko Tapper, for the National Training Squad to get the girls to the levels they are now at.

The SSNZ Board communication this year has been mostly by e-mail and telephone, and there was not the need to have a face-to-face meeting. The major work done this year was the complete review of our Selection Policies and Criteria, which are now clear, concise and standardised. I am very pleased with the open and transparent communication lines which exist between the National body and the Clubs.

Financial.

As is normal procedure, the Annual Accounts will be tabled at the AGM, for members' inspection and audit. We are in a better financial position than last year, and this is largely because of less expenditure needed for the National Team, and lesser costs associated with administration and Board expenses.

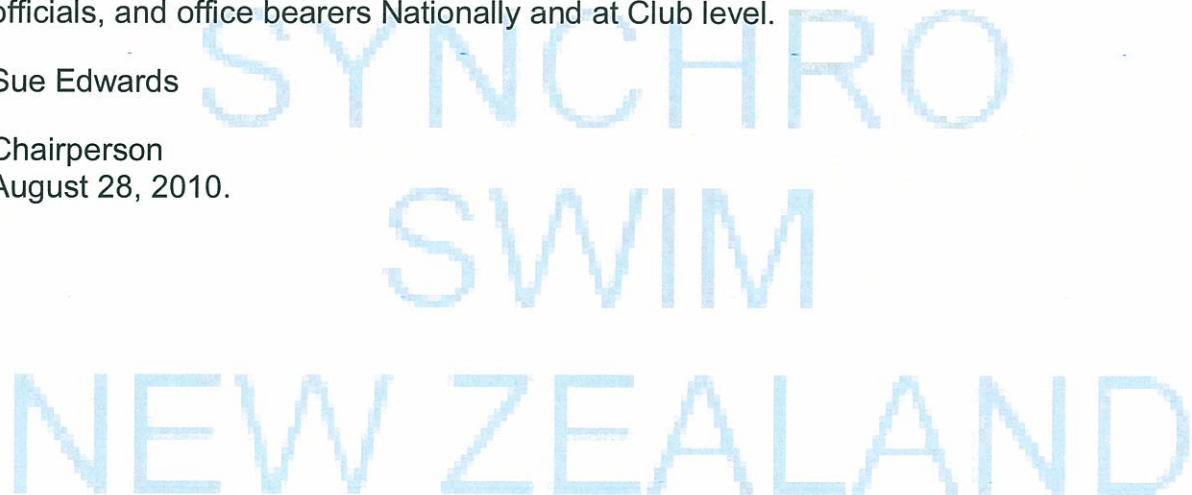

Administration.

My thanks to all the people who assist with the Administration of our sport. Even though we are a small sport, the work load is not small. We have the same needs as larger sports, it is just that the membership numbers are less. The issue of having any paid staff is presently not a consideration. Again, thanks to Bronwyn Stackpole, the Board members, Debbie Poutoa, Jenny Carroll, Kit Hustler, and the Chairs and Secretaries of our Clubs.

Synchro in New Zealand remains in good heart, with enthusiasm and energy. The benefits to our athletes are the main consideration, supported by coaches, judges, officials, and office bearers Nationally and at Club level.
