The merchandise design and colours are based on the Southern Aurora.

Aurora Australis (The Southern Lights) has to be one of the most wonderful light shows of all. You can see the aurora activity as a green and pink hue over the horizon and even dancing green veils lighting up the sky. To increase your chances of seeing the Southern Lights on your travels, you need a combination of the best time, the best weather conditions, and being in the right place.

NZ Artistic Swimming/ Shopping Tote Bag - Water Resistant

\$15

We have commissioned with NZ Uniforms, Natasha Cruisel and Gail Stent a special tote bag made of recycled material and great to put your togs, groceries etc in.

The bag has been specially designed with a collage of photos of our Swimmers over 2020.

The design is still in process, but will have a similar flavour to the picture on the left. Pre orders can be taken now and we will have bags on sale at Nationals.

Nationals Jewellery

We have commissioned some special jewellery designed by one of NZ's very own - former swimmer, Canterbury and Pikopiko Assistant Coach - Chantelle Symons.

Chantelle started Willow Collective in 2016 when I noticed a gap in the market for affordable but quality Jewellery.

Now Willow Collective is stocked in over 60 retailers nationwide with two internationally! We designed an online store where you can shop online for yourself

www.willowcollective.co.nz.

Having been a competitive synchronised swimmer myself, I know how amazing it would be to have synchro inspired Jewellery that you can wear every day. Our Jewellery is nickel, cadmium and lead free - this means no nasties that will irritate your skin or tarnish in the chlorine!

Stay tuned - Synchro Jewellery to come!

Don't forget to follow us on instagram [@willowcollective.nz](https://www.instagram.com/willowcollective.nz)

A design flyer will be coming out by the end of June and you will be able to order directly through Willow Collective.

A huge thanks to Natasha Cruisel for our gorgeous logo, it certainly made picking merchandise easy and we have already had so many lovely comments about it from suppliers.
